### SUMMARY

Motivated BSc (Hons) Business Information Systems undergraduate at the University of Sri Jayewardenepura, developing a career focus in Cybersecurity, Information Security and Digital Forensics. Possess an academic foundation in IT infrastructure, information systems auditing and control, database development, systems analysis, programming and web application development, supported by practical software development experience. Currently pursuing Cisco CCNA studies and developing practical technical experience through software development projects involving authentication, APIs, databases and collaborative development. Strong analytical, problem solving, teamwork and communication skills with a strong willingness to learn and develop practical cybersecurity capabilities in a professional working environment.

### PROFESSIONAL SKILLS

- **Cybersecurity & Information Security:** Information security fundamentals, Information Systems Auditing & Control, security risk concepts, authentication & access control, cybersecurity concepts, digital forensics fundamentals
- **Networking & IT Infrastructure:** Networking fundamentals, IT infrastructure, TCP/IP concepts, Cisco networking, network security concepts, CCNA (currently pursuing)
- **IT & Software Development:** Java, C#, Python, SQL, PostgreSQL, MySQL, Spring Boot, REST APIs, Flutter, PHP, Laravel, HTML/CSS/JavaScript, Git/GitHub, Jira, Supabase, JWT
- **Business Analysis & Systems:** Requirements elicitation, user stories, UML/BPMN, systems analysis & design, business requirements, system documentation, business process analysis
- **Project Management:** Agile/Scrum collaboration, stakeholder communication, team coordination, project coordination, analytical skills, team building
- **Professional Skills:** Communication, technical documentation, report writing, critical thinking, problem-solving, adaptability, organization, multitasking, independent working, time management
- **Leadership & Teamwork:** Co-Chairperson – DHack, Sparsha'26, event coordination, team building, stakeholder coordination, S@IT Executive Board Member, Sinasara volunteer
- **Business & Finance:** CIMA Management Level (currently pursuing), business process understanding, financial and management concepts

## LEADERSHIP & VOLUNTEERING

---

### Co-Chairperson - Sparsha'26 & DHack'26

Jan 2026 - Present

Students' Association of Information Technology (S@IT)

### Executive Board Member

Mar 2025 - Jan 2026

Students' Association of Information Technology (S@IT)

### Organizing Committee Member - Sparsha'25 & DHack'25

Jul 2025 - Nov 2025

Students' Association of Information Technology (S@IT)

### Secretary

2021 - Dec 2022

Commerce Association, R/Sivali Central College

## ACHIEVEMENTS

---

### Successfully coordinated multiple events

Sparsha, DHack

### Demonstrated Leadership and Team Collaboration through Students' Association and Projects

Developed several software projects demonstrating practical experience in application development, databases, APIs and system integration.

District Rank 21<sup>st</sup> in G.C.E. Advanced Level (Commerce Stream)
